Decidedly Dramatic: Femme Fatale Fashions

It's easy to add a little glamour to your wardrobe this fall. The hottest trend is all about updating vintage-styles with a modern edge.

- Cardigans, blazers, jackets and coats are all getting dressed-up with faux fur-trimmed collars. Polish off the look with pearls. **Le Château**
- Contrast is a critical. For a modern glam look, wear silky feminine blouses with guy-style pinstripe pants. **Benetton**
- Steal the scene with fall's chic accessories: floppy hats, chiffon floral scarves, and argyle tights. **Banana Republic**
- You don't have to wait for nighttime or a special occasion to get dressed up. Star-style is always in style, 24/7. Be spotted wearing anything in a leopard print. **Club Monaco**
