Keep Warm in Winter Whites

Winter is on its way. Embrace it by dressing to match a snowy wonderland. Wear your favourite white pants or sweater – or, better still, go all out and dress in winter white from head-to-toe.

- Made with crushed faux fur, this winter white coat feels as glamorous as it looks. **Melanie Lyne**
- This off-the-shoulder sweater proves that warm and cosy can be sexy and chic, too. **Suzu Shier**
- What a girl wants? To celebrate the holidays in winter white like everyone else. **La Senza Girl**
- Move over "men in black." Men in white (parkas) are the ones being watched this winter. **Danier**
